“ Karen, Mr. Jones and family-

I am so sorry that you have lost Tammy so suddenly. You feel the loss so greatly because you gave her so much love her entire life. She had the greatest parents anyone could ask for. And Karen, you were such a good sister to Tammy. Always giving her your attention and your time. I could see she loved you just as much as you did her when you were together. And now she is safe in her Mother's arms.

“ Mr Jones, Amy, Randy, Karen, and Mike—

I remember spending time at your house when Amy and I were 9-10 years old. I think I was there almost every day. I remember how happy Tammy was rocking in her chair and singing her song. And I remember how much you all deeply loved her with a quiet contentment and respect for her special qualities. I think of that time often. Thank you and Tammy for teaching me so much about love and gratitude for the life you have and for those you have in it. -Lisa Armstrong

“ Bill, I am so very sorry about your loss of Tammy. I missed seeing her on her swing this summer, she loved being out there. I could hear her hollering and shouting clear up here on the hill! You gave her the greatest quality of life any daughter could want or need, but most of all you gave her your love. Mike, Randy, Karen and Amy, home won't be the same without Tammy so give Dad a little extra TLC!! God bless all of you, Camille
