“ Janet,

I am very sorry to hear of Earls' passing. I first recall meeting him at the high school graduation party I shared with Carol Larkin. He had a huge personality and I loved listening to his stories and when he and Buddy got together, man, could they talk. I was happy to get to see you both a couple of years ago at Buddy's b-day but recognized that he was in early stages then.

I just wanted to say that I am sorry for your loss and am thinking of you and the family.
