“ My Condolences Joyce and Girls. Tim and I worked together, I was his Inventory Control Specialist at Air Products back in late 90s? Many of our daily conversations revolved around our families and how much we loved our kids and traveling to their activities. He was such a nice gentleman. I am blessed to have worked with such a good hearted individual. Girls I know your dad is watching over you always .

“ Mark, Bill, Joyce and girls, I am deeply saddened to learn of Tim's passing. I remember Tim as a good-natured fellow all the while we were growing up and in church together. Last time I saw him was when we each had a “princess” in the forest festival. Sadly, just too long. Please know I'm holding you all closely in my heart and prayers during this difficult time, praying God wraps His loving arms around you. Love and hugs.

“ I am so sad to learn of Tim's passing. He was truly a 'good ole country boy'. He and all his other buddies found so much pleasure in hunting and fishing the Tygart River and these hills here on Georgetown. He was such a joy to be around. He went too young and will be missed by all who knew him. Sincere condolences to wife, Joyce and daughters Amy and Katie.

“ Joyce, Amy and Katie,
My condolences girls. But we all know Timbo is in a better place. I love y'all and will miss the old Swamp Rat to death. A better hunter and fisherman would be hard to find. He loved you girls as much as he loved the outdoors. Love ya Timbo. Tell Ken and Uncle Jack, Hey for me.
