“ Our sincerest condolences to his wife Teresa and all those that loved him. Will was a great guy with a big heart who would do anything for you. Every year when we would visit West Virginia we would always stop and visit Will. Couple of years ago he took us up the mountain to visit the cemetery on his ATV's. What a blast going up there. I recently had knee replacement surgery and cannot make it to the funeral. I will miss visiting with Will. We will visit his gravesite this summer. Rest in peace my friend.
